*From the Candidate:*

“Nearly seven years ago I retired from parish ministry as a senior pastor on the Central Coast of California. In nearly 35 years as a priest, I have served in eastern Oregon, the Yakima Valley, Montana, and California. Returning to Oregon to be near family, I now am an assistant priest (volunteer) at Trinity Episcopal Cathedral in NW Portland. Prior to serving as a priest, I taught secondary Language Arts and special education in Michigan, California, and Oregon. My first teaching was as a swim instructor, beginning at age 14.

I have two grown children, with my daughter here in PKW. My son and his family live in Hood River, where my children grew up.

Other interests include community development, riding my horse, my cat, music, a lot of reading, caring for my plants, current events, keeping in touch with family and friends, and traveling.

In the past several years I have found that the PKW HOA Board of Directors has worked well together, often discussing and developing more than one option to address a situation. I am grateful to the Board members and Dominica Culver from AMS for their service.”
